Govt.Memo.No.5537.E.C./42-48 Rev. Dept., dated 8-7-44 communicated with Board's Ref.No.I.74/44-10 dated 12-7-44 it has been ordered that it is not possible to dispense with the publication of the draft Sec. 6 declaration in respect of the severed bits. This involves the observance of all the formalities prescribed under the L.A. Act, in respect of the severed bits, and it will not be possible to complete the work by the end of August 1944. I, therefore, request that sanction may be accorded for the continuance of the Special Dy. Collector and his staff for a further period of two months from the date on which a new Dy. Collector takes charge or Mr. Antony -- takes charge again after finishing the Military acquisition work which will last till 30-9-1944. Meanwhile orders are solicited whether the above -- office staff may be allowed to continue under the Sub Collector, who is in formal charge of the work or whether the staff may be disbanded till a Dy. Collector again takes charge.

Note. In view of the recent delegation that in case in which the entire cost on account of the employment of Special staff is to be recovered from a local body or other person, this need not be seen sent to Fin for acceptance of draft order, Finance ~~accts~~ the draft order may issue. Sanction for both the D.C. & staff may be for 2 months from 1.9.44.

To HS.

The draft order at pp. 7-8 ante has been issued. The Special Staff commenced work on 1.8.1942 and it has been sanctioned for one year. Finance Dept. while giving its concurrence stated that even if the cost of the Special Staff were to be recovered from the Govt. of India the new sanction procedure should be followed by the Govt. as the cost exceeds Rs. 5000/- a year. In this case it appears that the cost of the Staff is more than Rs. 5000/- and full circulation is necessary. The file may therefore be submitted to all Advisers & HE and the Bd. of Rev. may be asked to submit in due course proposals for supplementary appropriation of funds. A draft Memo is put up. This may be kept before circulation

part I.C Fin(BG)Dept

With reference to Revenue notes above, it is submitted that orders in full circulation should ~~have been~~ ordinarily be obtained before sanction to a scheme is given. In the present case orders sanctioning the continuance of the staff have already been issued by the Revenue Dept. There is no point now in circulating the file to all Advisers and H.E. now It is sufficient if the authorization of H.E. the Governor is obtained in due course for a supplementary allotment of expre for a token sum, if savings become available within the grant or for the actual amount required to meet the expenditure

The file may be returned to Revenue no.
